Douglas,

Thank you! I will get the *Federal Register* package completed ASAP (if not today, then by Friday, July 26). It will take about 7 to 10 days for the Federal Register Office to publish the notice in the *Federal Register*. I will work with Craig to upload ND's primacy application into the Docket. The Docket will go live (available to the public) when the Federal Register Notice is published.

Thanks,

Lisa
